Near South Side Community Resource List

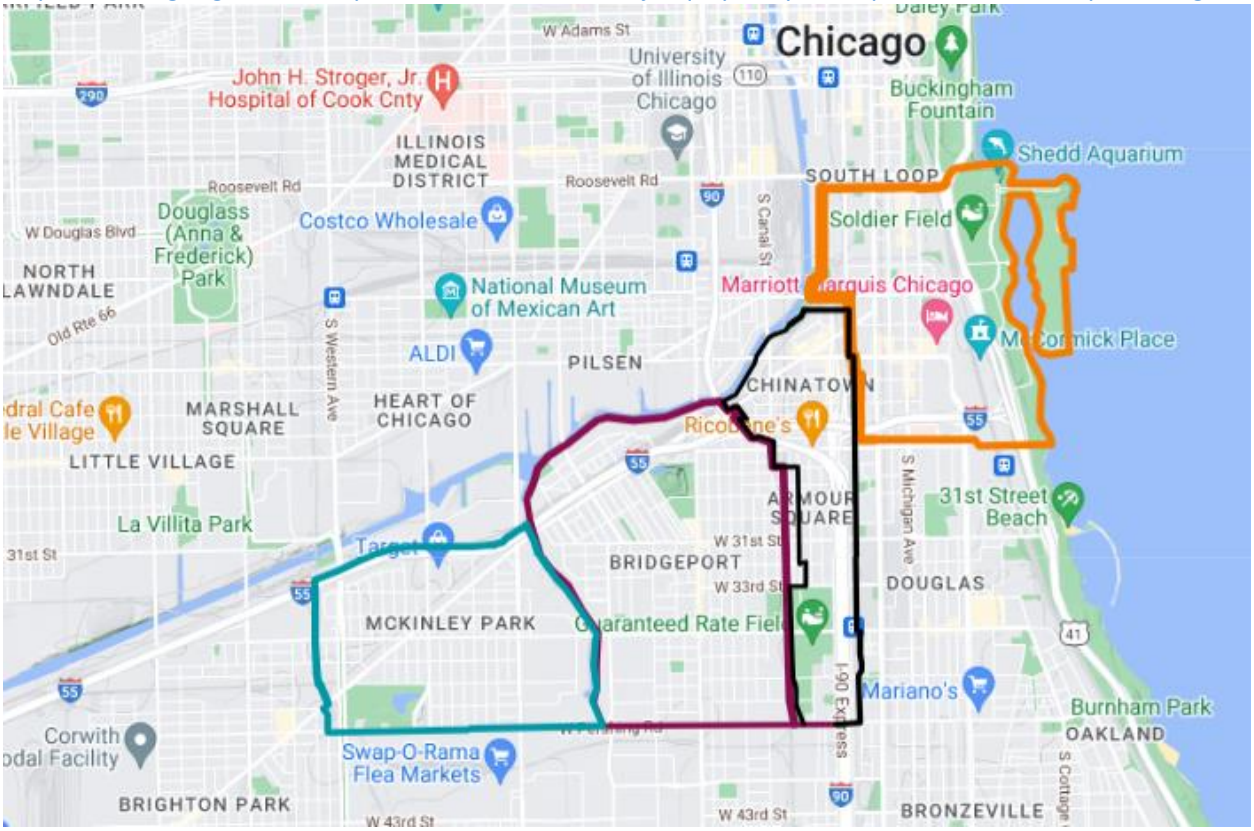

The Community resource list provides information on resources that have been identified in the Near South Side ROSC community neighborhoods (e.g., resources related to recovery support services, housing, employment, vocational training, transportation, independent living, health care, policing, government etc).

We have identified several community resources. 18 locations provide direct medical services to community members seeking access to substance use and mental health support; Access Cabrini Family Health Center, Bridgeport Free Clinic, Chicago Treatment & Counseling Center, China Square Clinic, Chinese American Service League, EDDR Foundation, Insight Hospital & Medical Center Chicago, McK-UDOS, MAHA on 26th Street, MEDTA Immediate Care Clinic, Oak Street Health Chinatown Primary Care Clinic, Pilsen Wellness Center, Pui Tak Center, Restoration Center Chicago, Safe Place Counseling, Soluna Wellness Center, Transformative Growth and Wellness Home Behavioral Health

Although the community is full of resources, the community can benefit from expanding existing mental health and substance use care programs to increase access across the neighborhoods.
